

CASI Elvie L. Smith Scholarship Application

The Elvie L. Smith Scholarship is awarded in recognition and honour of the outstanding and unique contributions made by Elvie L. Smith to the Canadian Aeronautics and Space Institute and to Canada's aerospace industry as a whole. A long-time Fellow of the Institute, Mr. Smith was the recipient of the McCurdy Award, the Institute's top honour in scientific and engineering areas of activity, and of the Institute's C.D. Howe Award, for outstanding management leadership in aeronautics. Mr. Smith, a former President and Chairman of Pratt & Whitney Canada, provided lasting benefits to Canadian aviation through his vision, dedication and leadership in the design, development and manufacture of gas turbine engines, in both the technical and managerial areas.

In recognition of these contributions, the Elvie L. Smith Scholarship is awarded annually to a student who is following a post-secondary degree or diploma course recognized by the Institute as a qualifying step towards Member status in CASI.

To be eligible for the Elvie L. Smith Scholarship, the nominee must be entering the last year of undergraduate studies in the year he or she receives the scholarship, be a Canadian citizen, and be a student member in good standing of CASI.

The Award has monetary value as determined each year by Pratt & Whitney Canada, sponsor of the Scholarship.

To apply for the scholarship, please complete and return this form to casi@casi.ca. Your application will be submitted to a committee for consideration. You will be notified by CASI HQ if your application is accepted or if we require further information.
