

Cooperation Agreement
between
Canadian Aeronautics and Space Institute
and
Cyprus Space Exploration Organisation

1. Preamble

Consistent with their desire to facilitate cooperation and in order to provide a framework for collaboration in the areas set out below, Canadian Aeronautics and Space Institute (CASI) and Cyprus Space Exploration Organisation (CSEO) have signed this Cooperation Agreement (hereinafter referred to as the 'Agreement').

2. Undertakings

CASI agrees to:

- Include on its web site the logo and description of CSEO, and a link to the CSEO web site, with a brief summary of this Agreement;
- Make available CSEO-supplied materials to CASI members, affiliates and participants at conferences, workshops and other CASI-sponsored events upon request by CSEO;
- Suggest speaking opportunities for CSEO at CASI events on topics of mutual interest;
- Share information with CSEO regarding potential areas of cooperation between companies and organizations in Canada and Cyprus.

CSEO agrees to:

- Include on its web site the logo and description of CASI, and a link to the CASI web site, with a brief summary of this Agreement;
- Make available CASI materials to CSEO members, affiliates and participants at conferences, workshops and other CSEO-sponsored events upon request by CASI;
- Suggest speaking opportunities for CASI at CSEO events on topics of mutual interest;
- Share information with CSEO regarding potential areas of cooperation between companies and organizations in Canada and Cyprus.

3. Areas for potential collaboration

CASI and CSEO will identify and give effect to opportunities that are expected to be mutually beneficial, including:

- Organising joint activities to further the objectives of the Parties;
- Offering special benefits for members of both organisations such as discounts and other considerations at conferences, meetings, etc;
- Sharing information about networking opportunities that are intended to attract students and young professionals to the space sector in Canada and Cyprus;
- Working together to generate enthusiasm for space programs in Canada and Cyprus on the part of the general public, and through space-related activities to underscore the benefits of investment in space to responsible levels of government in Canada and Cyprus;
- Cooperating in the design of new programmes, platforms, infrastructure and global alliances related to science and innovation and the interdisciplinary growth of science, innovation, education, entrepreneurship and space initiatives;
- Organising conferences, workshops, brokering events and public knowledge initiatives with the participation of space industry, leading science, innovation and technology experts which compose the networks, community and professional horizon of the Parties;

4. Annual consultation

The Parties will consult with each other at least once annually to review activities during the past 12 months, to identify collaborative activities that may be undertaken in the coming year, and to de-conflict the dates upon which events are planned.

5. Term

This Agreement comes into force on the date of signature and will continue in force as long as both Parties wish.

6. Amendments

This Agreement constitutes the entire Cooperation Agreement between the Parties with respect to its subject matter. Amendments to this Agreement may be made upon written endorsement by both Parties.

7. Termination

This Agreement may be terminated by either Party upon three months' written notice to the other. Should termination pose a risk to the successful completion of any

activity(ies) then in progress, the Agreement shall remain in effect until the conclusion of the affected activity(ies). This Agreement shall terminate in the event that either Party becomes insolvent, or suspends or ceases operations.

8. Liability

Neither Party shall be liable to the other for any costs, damages, loss, claims or proceedings of any nature and however caused arising out of, or relating to this Cooperation Agreement.

9. Governing Law & Dispute Resolution

This Agreement shall be construed and the legal relations between the Parties shall be determined under the laws of Canada.

10. Signatures

Signed this 21st day of October 2019 on behalf of Canadian Aeronautics and Space Institute and Cyprus Space Exploration Organisation by their authorized signing officers.
