November 2018 Tour

Seneca College School of Aviation

The Seneca College School of Aviation had operated at Buttonville Airport for over 40 years, when the impending closure of Buttonville forced their move to a new location. A site was chosen at Peterborough Municipal Airport, and brand new facilities were constructed. Classes began at the new campus in January 2014.

Seneca's Peterborough Campus includes a main hangar and a maintenance hangar, two classrooms, dispatch office and operations office, simulator training rooms, briefing rooms, various learning, meeting, and office spaces, and a student lounge. The fleet consists of 22 aircraft (single-engine Cessna 172s and Beech Bonanzas, and twin-engine Beech Barons), and 8 simulators (for the aircraft in the fleet, plus a CRJ 200, B200, and Redbird XWind).

Our visit to Seneca's School of Aviation will include a tour of their beautiful new facilities and a presentation on the aviation programs they offer, followed by a light lunch.

Space on the tour is limited. Priority will be given to CASI members until **Nov. 12**. After that, members and non-members will be accepted on a first-come basis, space permitting. **Registration deadline is Nov. 14.**

Fee: \$10 for CASI members, \$20 for non-members.
Gov't issued photo-ID will be required on arrival.
Transportation is by carpool, details in registration.

REGISTRATION IS ONLY AVAILABLE ONLINE, PLEASE VISIT: https://casitoronto_2018_11_17.eventbrite.ca
